

Undergraduate Admissions | One Bear Place #97056 | Waco, Texas 76798-7056

Dear Jace,

On behalf of President Linda A. Livingstone, it is my pleasure to offer you admission to Baylor University. I commend you on the academic accomplishments that have earned you a spot in our new class.

I am pleased to inform you that your admission to Baylor University carries with it the Transfer Baylor Scholarship totaling **\$17,000** per academic year. You will soon receive an email from Baylor One Stop with more information about your scholarship.

If you've applied for financial aid by completing the FAFSA and the CSS Profile, and you qualify, you will receive an email directing you to view your complete financial aid offer once Baylor has processed your financial aid applications. Your goBAYLOR portal will continue to provide updates on the status of these applications.

When you become a Baylor student, you become a part of the Baylor Family, a worldwide network of Bears who share your college experience. You also join:

- an elite, academic community grounded in high-caliber research at both the undergraduate and graduate levels
- a distinctly Christian university where faith has complemented our teaching, service and research since our founding in 1845
- a D1 athletic university with a vibrant Power Five fan base and unique traditions like the Baylor Line and the oldest homecoming celebration in the nation
- a mid-size community where you'll form close relationships with your professors and classmates while also benefitting from state-of-the-art resources and career-building experiences

Many great schools can say they have one or more of these qualities. However, Baylor is the only one to claim all four. Because of this unique combination of attributes, Baylor students graduate and leave Baylor better than how they came: with life-changing research under their belt, strong relationships in their network and an expanded worldview.

When you're ready to take the next step in becoming a Baylor Bear, your goBAYLOR account will be a vital source of information and next steps until the day you start classes. Please access it often at baylor.edu/gobaylor.

Your most immediate next step is paying your enrollment deposit. Please review the deposit policies before submitting your deposit through your goBAYLOR account or at baylor.edu/deposit. Then complete your enrollment next steps in goBAYLOR. You'll also be able to review a transfer credit evaluation in your goBAYLOR account after we've reviewed your college transcripts. If you complete more courses, have your school send us an updated transcript to review for additional credit.

If you have questions as you continue exploring your college options, please don't hesitate to contact us. Congratulations, and Sic 'Em Bears!

Sincerely,

A handwritten signature in green ink that reads 'Mary Herridge'.

Mary Herridge
